IMAGINE DRAGONS RELEASE NEW ALBUM — *EVOLVE* — VIA KIDINAKORNER / INTERSCOPE RECORDS

BAND BRINGS DYNAMIC LIVE SHOW TO ARENAS ACROSS NORTH AMERICA WITH THE EVOLVE TOUR THIS FALL

May 9th, 2017 — (Santa Monica, CA) — Multi-platinum, Grammy Award-winning band **Imagine Dragons** will bring its electrifying live show to arenas across North America this fall with the **Evolve Tour**, produced by Live Nation.

Watch the video for "Believer" HERE and "Thunder" HERE.

"Believer" spent six consecutive weeks at No. 1 at Alternative Radio and broke a 13+ year record for number of spins at the format, besting the record previously held by Linkin Park's "Faint" in 2003. TIME called **"Believer"** "another showstopper of an anthem," while *Entertainment Weekly* noted its "thudding tribal drums, a massive shout along chorus, and a wicked bassline that's the sonic equivalent of a slug to the gut." *Billboard* called **"Believer"** "a whimsical-yet-authoritative anthem sure to turn even the most hesitant of optimists into a believer."

Imagine Dragons will kick off the **Evolve Tour** on September 26th in Phoenix, AZ, with **Grouplove** and **K.Flay** providing support.

Formed in 2009 and featuring lead vocalist **Dan Reynolds**, guitarist **Wayne Sermon**, bassist **Ben McKee**, and drummer **Daniel Platzman**, Imagine Dragons earned a grassroots following by independently releasing a series of EPs. After Alex Da Kid signed them to his KIDinaKORNER/Interscope label, the band made its major-label debut with the release of

Continued Silence, a 2012 EP featuring the 2x platinum breakthrough single **"It's Time."** ***Night Visions*** arrived later that year and Imagine Dragons found themselves on a skyward trajectory that saw the album debut at No. 2 on the *Billboard* Top 200 Albums chart and became the No. 1 album on Spotify Worldwide for 2013. ***Night Visions*** has sold over 5 million copies worldwide. The album's second single, the 9x-platinum **"Radioactive,"** hit No. 1 on the *Billboard* Rock chart and earned the band a 2014 Grammy for "Best Rock Performance." The third single, **"Demons,"** hit No. 1 at Alternative and Top 40 radio, and has sold 3.9 million copies in the U.S. Imagine Dragons' platinum-selling second album, ***Smoke + Mirrors***, debuted at #1 on the *Billboard* Top 200 album chart and has sold 1.1 million copies worldwide.
